Full Job Description

Spindletop Pain Management is a Texas based, multi-site comprehensive pain management company with an exciting new opportunity available at our Austin Premiere Surgery Center in North Austin! We are seeking a full-time **PACU Registered Nurse** who can support the business, help us achieve our strategic objectives and add to our growing team.

Job Responsibilities:

- Responsible for the delivery of quality, professional nursing care to the pre-anesthesia, post-anesthesia, and/or operating room patients.
- Assess and maintain adequate ventilation, hemostasis, circulation, and level of consciousness.
- Provide quality patient education.
- Recognize patient complications.
- Insure safety and comfort.
- Participate in Total Quality/Risk Management Committee activities.
- Compile monthly statistics as necessary.
- Assure adequate equipment and supplies as necessary for quality care delivery.
- Adhere to the Policies and Procedures of the Center.
- Render professional quality patient care to all patients.
- Demonstrate good leadership skills and promote growth of nursing staff.

Requirements:

- Current State Issued RN License
- Minimum 1 year of Recovery Room experience (required)
- Current BLS & ACLS certification (required)
- Prior experience in ASC preferred
- Graduate of an accredited school of nursing program

Competitive pay commensurate with experience.
